

60" Sony KDL-60EX645 Ultra Slim LED Internet TV

Download Spec Sheet @ www.rentex.com/spec/LED6000.pdf

Rentex Product No. LED6000

Mfr Part No. KDL60EX645

The KDL-60EX645 60" Ultra Slim LED Internet TV from Sony is more than just a TV. Combined with Motionflow XR240 Technology, motion pictures will be displayed with the clarity and depth you deserve. The KDL-60EX645 features full HD 1080p resolution, Edge LED backlighting, 24p True Cinema technology, four HDMI ports, and Internet connectivity.

The Sony KDL-60EX645 provides fast and seamless streaming of your favorite online content thanks to built-in Wi-Fi. By connecting to the Internet you can access full HD 1080p entertainment, 3D content and made-for-TV apps like Netflix, Pandora, YouTube, and Facebook.

With HDMI and USB inputs, you'll be able to connect your devices and maximize all your entertainment options. It's even Energy Star qualified so it consumes less power when compared to standard units.

Features

- Full HD 1080p
- Motionflow XR 240 Technology
- Wi-Fi Ready
- HDMI x 4, Ethernet x 1, USB 2.0 x 2 (Side)
