Product Spec Sheet from Rentex

27" Dell UltraSharp Widescreen Flat Panel Monitor

Experience stunning high-definition detail and the ability to view more on screen content with a 27" display and 2560 x 1440 (max) WQHD Resolution. It delivers an incredible high-definition experience with a 16:9 Widescreen Aspect Ratio. The 6mm Response Time (typical)1 Grey to Grey helps reduce ghosting and takes the blur out of fast-moving multi-media images. Enjoy great color intensity such as deep blacks and bright reds, razor-sharp graphics and text, brilliant color and outstanding detail for motion videos with 80,000:1 Dynamic Contrast Ratio. In-Plane Switching technology (IPS) allows superb color consistency whether you're sitting in front of the display or standing off at an angle.

Mfr Part No. U2711
Rentex Product No. 3230
