Rentex Product No. PRN1015

Mfr Part No. CC489A#BGJ

The CP4025n LaserJet Enterprise Color Printer from HP features print speeds of up to 35ppm in both black and color. The printer's high 1200x1200 dpi produces high quality prints right from your own computer and with the availability of high yield toner cartridges, reduces the cost of printing in house. The printer is designed for busy environments thanks to its 10,000-page monthly duty cycle. Thanks to the printer's 512 MB of memory, complex print jobs won't slow down your computer during printing. In addition to a standard USB port, the printer features Ethernet connectivity so you can share the printer with your local network.

The printer features a 600-sheet input capacity, allowing you to execute larger print jobs without having to reload. Keep 2 different paper types in the printer for easy switching between the 2 or use the same paper in both for longer uninterrupted print runs. The printer is compatible with a wide range of media including brochure, letterhead, photo, and rough paper as well as postcards, transparencies, labels, and envelopes.

Features

- Resolution: 1200x1200 dpi
- Black/Color Print Speed: 35ppm
- Input Capacity: 600 Sheets
- USB Type B, RJ-45
- 512MB Installed Ram
