HP LaserJet Pro 400 M401dn Printer

With the duplex-ready, HP LaserJet Pro 400 M401dn Printer you can do more with your workday. Set up anywhere in the office using built-in wired networking and share printing resources. Print on the go with mobile printing options and use business apps to access and print from the Web.
The HP LaserJet Pro 400 produces business prints with bold, crisp text and sharp images. You can depend on a printer with a 3,000-page recommended monthly page volume, the ideal fit for reliable printing. Plus, save money by saving energy. HP Auto-On/Auto-Off Technology powers your printer up and down automatically. Also, save time with easy-to-install Original HP cartridges, and save more with high-capacity cartridges.

The HP LaserJet Pro 400 is extremely easy to use. This printer utilizes a 3.5" color touchscreen to access and print from the Web. You can install the printer fast thanks to HP Smart Install. Use the easy-access USB port to print from—and save scans to—a flash drive and simply control your print environment with market-leading management tools.
