Rentex Product No. ELMO100

Mfr Part No. 1337-1

The Elmo MO-1 Visual Presenter White is an on-the-go, mobile document camera, about the size of an envelope and very lightweight -- it can easily be carried inside a jacket pocket or small handbag. It features a 5 megapixel, full HD video camera that produces true and vivid color reproduction, and it's very simple to operate. Offering local and web communication ability, a software packed with useful and effective presentation tools, and almost instant integration with projectors and displays, the MO-1 is a productive presentation companion for educators and business professionals.

The core of the MO-1 is the 300° movable camera head. It serves as a video camera, a webcam, and a photo camera/scanner. It has a zoomable lens that lets you focus in on parts of a scene or magnify details of a document (from as close as 2.7 inches away).

Features

- 5MP Full HD Video / Still Image Capture
- Video / Webcam / Photo / Scanner
- Connects to Projector and HDTV
- 300° Swivel Camera Head
- 8x Digital Zoom Lens
- Small as an Envelope / Fits into Pocket
