Product Spec Sheet from Rentex

55" Samsung Overlay for QM55H 4K Monitor

Mfr Part No. LH55QMHPLGC/GO
Rentex Product No. TCHO54M

With stunning 4K UHD quality our QM-H Series delivers an all-in-one digital signage solution with exceptional stopping power and smart features. Built to run around the clock, you can deliver your message 24/7 and even personalize it in real time with application-based Beacon management technology. IP5X certification protects against dust ingress, while a non-glare, 500nit panel helps to ensure clear visibility of your content.

Features

- Stunning life-like image quality with 4K UHD resolution
- Non-glare panel with 500nit brightness offers improved visibility of your message
- Dependable 24/7 continuous run-time and IP5X-certified dust protection to meet around the clock operating requirements
- Non-glare panel with 500nit brightness offers improved visibility of your message

Detailed Specifications
