

Product Spec Sheet from Rentex

65" Samsung Infrared Touch Overlay

Mfr Part No. TSI-D65-06IDOAR
Rentex Product No. TCHO652

This touch overlay is an Infrared (IR) based solution, which allows for a high accuracy interactive experience. The usage of IR technology allows for virtually any input to be detected (pen/stylus, user's fingers, palms, gloved fingers). The TSi touch overlay is a full steel chassis integrated with anti-reflective tempered cover glass, which increases durability and optical clarity, while protecting the display.

Features

- **For Samsung DM65D/E ONLY**
- Full steel chassis combined with anti-reflective tempered glass ensures the safety of the LCD panel
- True multi-touch support with up to six simultaneous touch points for all major operating systems
- Maximum compatibility with numerous operating systems, plug-and-play
