

Product Spec Sheet from Rentex

24" LG 24BK50Y-B Full HD LED Monitor

Mfr Part No. LG 24BK50Y-B
Rentex Product No. LED2430

Designed for professionals, this Full HD display with IPS technology minimizes color shifts and provides outstanding picture quality from virtually any viewing angle. The power module is integrated with the monitor, helping to reduce the amount of power modules in your workspace. The monitors provide comfortable viewing with versatile screen height/tilt/pivot/swivel adjustments. You can customize the display condition to create a more personal, comfortable workstation.

Features

- Full HD IPS Display
- Flicker Safe
- Reader Mode
- Smart Energy Saving
- Color Calibrated
