

Mfr No. QM65H
Rentex No. 4K06500

With stunning 4K UHD quality our QM-H Series delivers an all-in-one digital signage solution with exceptional stopping power and smart features. Built to run around the clock, you can deliver your message 24/7 and even personalize it in real time with application-based Beacon management technology. IP5X certification protects against dust ingress, while a non-glare, 500nit panel helps to ensure clear visibility of your content.
