Panasonic

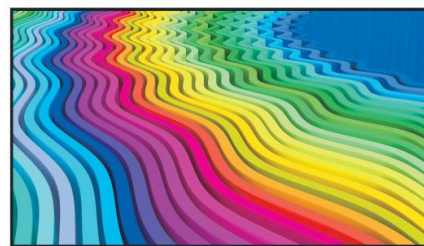

Mfr No. TH-55EQ1
Rentex No. 4K04320

The Panasonic TH-43EQ1 4K UHD Professional Display features a thin and stylish design offering high-quality digital signage with easy installation and high connectivity. The 4K Ultra HD resolution panels deliver the highest level of detail and picture quality, producing clear, natural images with enhanced color. The TH-43EQ1 subrental features a built-in USB media player that enables 4K video, still-image and full HD content playback without needing external cables or a set-up box. It also offers an extensive range of connectivity features. 4K/60p video input signals via 2 x HDMI. Supports CEC over HDMI for power on/off synchronized to playback control. Two HDCP 2.2-compliant HDMI terminals can be used to play DRM-protected content.
