

# Virtual Studio Packages from Rentex

(800) 574.1702  
www.rentex.com

Rentex is the established leader in AV, production, and computer equipment rentals. We provide affordable, clean and reliable equipment backed by excellent service and support. Our 10 locations are conveniently located throughout the United States.

Our virtual studio packages are designed for easy delivery, setup, and strike. They can be setup almost anywhere (your warehouse, a ballroom, a temporary venue, etc.)! Add your technical talent, content, and a little drape and carpet... no one will know you are streaming from a warehouse (or wherever)!

## Our Basic Projection Package Includes:

- 6.75 x 12 screen w/rear fabric & dress
- Panasonic PT-RZ120 12K Laser Projector w/.6-.8 or .78-.98 lens
- 40" - 49" Monitor w/Conference Stand
- Speaker Timer & Perfect Cue
- Shure ULXD Wireless Mic System (dual)
- Blackmagic Design Web Presenter / ATEM Mini Pro / H264 Pro Recorder
- (2) HD Camcorder AG-AC160/DVX200/CX350
