## Portable Live Production

Blackmagic Design ATEM SDI Pro ISO
4x2 SDI Hybrid/Streaming Switcher with Webcam function and ISO Recording

Portable Live Production! ATEM SDI is a family of live production switchers when you need extreme portability! ATEM SDI switchers are very similar to ATEM Mini, however the video connections are 3G-SDI and each model has double the number of video outputs! You get 4 SDI inputs on the ATEM SDI Pro ISO. All SDI inputs feature standards converters and re-sync! You even get DVEs for picture in picture effects! The USB works as a webcam for connecting video to computers. The Pro model features built in streaming. For audio the Fairlight mixer includes a compressor, limiter and 6 band parametric EQ on each input! ATEM SDI lets you connect multiple cameras so you can create interesting remote interviews with multiple camera angles.
