ROE GRAPHITE

GP 2.6 LED TILES

The ROE Graphite GP 2.6 is a rental-ready indoor LED tile designed for fast builds, clean alignment, and consistent performance show after show. Built to integrate seamlessly into ROE workflows, it helps AV teams deploy efficiently while maintaining reliable image quality across corporate events, live productions, and broadcast environments.

Available in both full and half panels for flexible system design.

Key Features

- **Pixel Pitch: 2.6 mm**
- **Panel Sizes: 500 × 500 mm and 500 × 1000 mm**
- **Rental-grade construction for repeated use**
- **Quick, precise assembly with ROE hardware compatibility**
- **Consistent color and brightness across panels**
- **Ideal for corporate meetings, live events, and broadcast setups**
